To Whom It May Concern:

It is my pleasure to recommend the Appleseed Building Company. We are pleased to report that all business has been conducted by Mr. Dan Wiegand and his company in a highly satisfactory manner in quality and service.

Mr. Wiegand and his staff have completed several projects, both large and small, for us over the last couple of years. The projects were all completed on time with attention to detail and concern for quality. His team responded very quickly to any requests that we had.

Please consider Appleseed Building Company for all your large and small construction / renovation projects. I recommend them and look forward to working with them again.

Sincerely,

Veronica L. Groff  
President & CEO
